**REQUEST FOR WITHDRAWAL AS ATTORNEY OR AGENT**

The following attorneys hereby request to withdraw as attorneys in the above-identified application:

John L. Cordani                      Reg. No. 37,297  
Arthur G. Schaier                      Reg. No. 37,715

Pursuant to 37 C.F.R. § 1.36 and § 10.40, the undersigned attorney on behalf of himself and John L. Cordani, respectfully requests permission to withdraw from representation of Chino-Excel Technology Corporation in all matters before the U.S. Patent and Trademark Office, and in particular, with regard to application Serial Nos. 10/073,404, 10/341,884, 10/013,158, and 10/625,855. Copies of this Request are being filed in the latter mentioned '884, '158 and '855 files. A one-month extension of time is being filed in the instant application to provide adequate time to respond to an outstanding office action, dated November 20, 2003, by the Applicant through another practitioner.

The undersigned respectfully seeks permission to withdraw because the client has failed to pay one or more bills rendered by the undersigned for an unreasonable period of time and to the best of the undersigned's knowledge, refuses to engage in communication with the undersigned to discuss the issue to an amicable resolution.

The undersigned has also forwarded notification to both the Applicant, Chino Excel Technologies Corp., and its agent, Mr. Ian Chen of the Chen & Chen Law and Patent Office, of his intention to withdraw from employment, although these communications, like several before them, have gone unanswered.

The undersigned respectfully submits that it has taken reasonable steps to avoid foreseeable prejudice to the rights of the client, including giving due notice thereto, allowing time for employment of another practitioner, and delivering to the client all papers and property to which the client is entitled, and complying with applicable laws and rules. Furthermore, the undersigned has not received any fee in advance for which money must be refunded.

The undersigned certifies that a copy of this Request is being mailed today, by Federal Express to ensure receipt, to both Applicant Chino Excel Technologies Corp. and Mr. Chen, at their last known places of business, although the undersigned has no assurances that either party will accept it.

The undersigned respectfully submits that all the requirements for permissive withdrawal have been met, including the requirements that the undersigned take certain steps to avoid foreseeable prejudice to the client. The granting of this Request is thus respectfully requested. Again, copies of this Request are being filed in each of the above-identified applications.

If, however for any reason the Commissioner is unable to grant this Request, it is respectfully requested that the Commissioner's representative telephone the undersigned in an effort to address any outstanding issues.
